In the matter between

Omni Food Brands Ltd.

v.
Gil Hecht, et. al.

In respect of the domain Name: DOMINOS.CO.IL

Decision

Jonathan AGMON (Chairman):

On 9 June 2002 this panel decided that:

"Having reviewed the arguments filed by Omni we hold that the domain name DOMINOS.CO.IL is to be reallocated. We however also find that Omni is not the appropriate party because Domino's Pizza PMC, Inc. is the owner of the rights in the DOMINO'S mark and good will in Israel. The Domain Name should therefore be put on hold by ISOC-IL for a period of three months pending any appropriate request for allocation. If after the period of three months no such request is made, the Domain Name shall be reallocated to Mr. Hecht."

On 24 July 2002 petitioner, Omni Food Brands, Inc. (hereafter: "**Petitioner**") submitted a notice by Domino Pizza PMC, Inc. In the notice Domino Pizza PMC Inc. requests that we allocate the domain name DOMINOS.CO.IL directly to Petitioner. Based on this request we order that the domain name DOMINOS.CO.IL shall be allocated to Petitioner.

As to expenses in accordance with Rule 24, we hold that Petitioner and Respondent shall each pay ISOC-IL the sum of \$250.
